EXPERIENCE INFORMATION

SUPERVISION OF PROVISIONAL TRAINEES

IT IS THE POLICY OF THE BOARD TO FILE A COMPLAINT AGAINST A SUPERVISOR IF, WHEN EXPERIENCE IS SUBMITTED BY A PROVISIONAL TRAINEE, A REVIEW OF THAT EXPERIENCE RESULTS IN DENIAL OF LICENSURE DUE TO SUBSTANTIAL NON-COMPLIANCE WITH USPAP.

Before accepting a trainee, each supervisor should be familiar with K.A.R. 117-5-2 (below), 117-2-2a, 117-3-2a, 117-4-2a and 117-5-2a.

117-5-2. Provisional classification; supervised experience requirements. (a) Each provisional licensed appraiser's work in developing, preparing, or communicating an appraisal report shall be directly supervised by a supervising appraiser, who shall be either a state licensed or certified appraiser in good standing.

(b) For the purpose of this regulation, "good standing" shall mean that all of the following conditions are met:

(1) The certified or licensed appraiser is not currently subject to a board-approved consent agreement and order that prohibits supervision.

(2) The certified or licensed appraiser is not subject to a summary order or final order that includes terms that prohibit supervision.

(3) The appraiser's certificate or license is not suspended; or revoked.

(c) Each appraisal report shall be signed by the provisional licensed appraiser or by the preparer of the report who supervised the provisional licensed appraiser, certifying that the report is in compliance with the uniform standards of professional appraisal practice of the appraisal foundation in effect at the time of the appraisal.

(d) If the provisional appraiser does not sign the appraisal report, the preparer shall describe, in the certification section or in the dated and signed addendum to the certification page of the appraisal report, the extent to which the provisional licensed appraiser provided assistance in developing, preparing, or communicating the appraisal through generally accepted appraisal methods and techniques.

(e) Each supervising appraiser shall be responsible for the supervision of the provisional appraiser by performing the following:

(1) Reviewing, before the signing of the certification section or addendum, each appraisal report that the provisional licensed appraiser prepared or provided assistance in developing, preparing, or communicating; and

(2) personally inspecting each appraised property with the provisional licensed appraiser until the supervising appraiser determines that the provisional licensed appraiser is competent, in accordance with the competency provision of the uniform standards of professional appraisal practice (USPAP), as specified in K.A.R. 117-8-1, for the property type.

(f) Each provisional licensed appraiser shall be permitted to have more than one supervising appraiser.

(g) Each provisional licensed appraiser shall maintain an appraisal log. This log shall, at a minimum, include the following for each appraisal report:

(1) the type of property;

(2) the client's name and address;

(3) the address of the appraised property;

(4) a description of work performed;

(5) the number of work hours; and

(6) the state license or certification number and the signature of the supervising appraiser, which shall serve as verification of the accuracy of the information specified in this subsection.

(h) Each provisional licensee shall maintain a log of appraisals completed with each separate supervising appraiser.

BE AWARE that the Board has adopted K.A.R. 117-2-2a, 117-3-2a, 117-4-2a and 117-5-2a, to be effective July 1, 2007, each of which places limitations on what supervised experience can be used by any license/certificate level. Copies of these regulations can be accessed on the Board's website at <http://www.accesskansas.org/kreab> by clicking on Regulations & Statutes.

EXPERIENCE REQUIREMENTS

Refer to regulations 117-2-2 & 117-2-2a (licensed), 117-4-2 & 117-4-2a (residential) or 117-3-2 & 117-3-2a (general)

An hour of experience is defined as **verifiable time** spent in performing tasks in accordance with acceptable appraisal experience.

In order for the board to determine whether the experience requirements have been satisfied, each applicant shall submit a verified appraisal experience log sheet listing the appraisal reports completed by the applicant within the five-year period preceding the date of application. Each appraisal report shall be signed by the applicant or the preparer of the report who supervised the applicant. If the applicant does not sign the appraisal report, the preparer shall describe, in the certification section, the reconciliation section or in the dated and signed addendum to the certification page of the appraisal report, the extent to which the applicant assisted in developing preparing or communicating the appraisal through generally accepted appraisal methods and techniques.

PROVISIONAL CLASSIFICATION (TRAINEE): No experience required. An experience log must be maintained by the Provisional licensee as outlined in K.A.R. 117-5-2(g)(1-6) and K.A.R. 117-5-2 (h) and shall be directly supervised by a supervising appraiser. It is highly recommended that the trainee, upon completion of an appraisal, make an entry onto the log at that time and have their supervisor sign off the entry.

LICENSED CLASSIFICATION: 2,000 hours of experience credit is required. The experience shall be the equivalent of 2 years of appraisal experience. 1,000 hours shall constitute 1 year of appraisal experience. Any applicant may accumulate experience hours over more than 1 calendar year and may receive credit for more than 1,000 hours within any 1 calendar year.

RESIDENTIAL CLASSIFICATION: 2,500 hours of experience credit is required. The experience shall be obtained continuously over a period of no fewer than 24 months.

GENERAL CLASSIFICATION: 3,000 hours of experience credit is required. The experience shall be obtained continuously over a period of no fewer than 30 months. At least 1,500 hours of appraisal experience shall have been nonresidential appraisal work.

In accordance with K.A.R. 117-2-2(e), K.A.R. 117-3-2(f) or K.A.R. 117-4-2(e), please provide an appraisal experience log sheet (see Experience Application) which indicates each appraisal category separately along with the total amount of hours of experience credit that you are requesting for each category.

When an application is filed, in accordance with K.S.A. 58-4123(c), the Board may inspect appraisal records, reports and supporting data by the Board or the Boards authorized representative upon prior notice, which shall not be less than three days, during normal business hours. Refusal of such inspection shall be grounds for denial of the license or certificate. Depending on the type of experience reported, other information may be requested.

In order for experience to be considered, the supervisor and the applicant must comply with item #9 on the appraisal report certification page:

9. I personally prepared all conclusions and opinions about the real estate that were set forth in the appraisal report. If I relied on significant professional assistance from any individual or individuals in the performance of the appraisal or the preparation of the appraisal report, I have named such individual(s) and disclosed the specific tasks performed by them in the reconciliation section of this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in the report; therefore, if an unauthorized change is made to the appraisal report, I will take no responsibility for it.

SIGNIFICANT PROFESSIONAL ASSISTANCE

Standards Rule (SR) 2-3 of the Uniform Standards of Professional Appraisal Practice (USPAP) requires that each report contain a signed certification which includes a statement, if true, similar in content to the following:

"I certify that, to the best of my knowledge and belief, no one provided significant professional assistance to the person signing this report."

If the certification indicates that one provided significant professional assistance, providing contradictory information elsewhere in the report may be misleading and a violation of USPAP SR-2-1(a) and SR 2-3.

For licensing purposes, applicants claiming experience for providing significant professional assistance (assisting in the preparation of appraisals) must have effectively used the appraisal process performing market research, data analysis and applying appropriate appraisal techniques. The work must have gone beyond such tasks as taking photographs, typing the report, measuring improvements or finding sales that may or may not be used in the appraisal.

Each appraisal report must be signed by the applicant or the preparer of the report who supervised the applicant, certifying that the report is in compliance with USPAP. If the applicant does not sign the appraisal report, the preparer shall describe, in the certification page of the appraisal report, the extent to which the applicant provided assistance in developing, preparing or communicating the appraisal through generally accepted appraisal methods and techniques.

PLEASE BE AWARE THAT THE APPROXIMATE TIME FRAME FOR REVIEWING THE EXPERIENCE APPLICATION IS TWO TO FOUR MONTHS FROM THE DATE THE REPORTS AND WORK-FILES ARE RECEIVED IN THE BOARD OFFICE.

CATEGORIES OF ACCEPTABLE APPRAISAL EXPERIENCE

Descriptions reflect Interpretations and Clarifications adopted by the Appraiser Qualifications Board.

FEE AND STAFF APPRAISALS: If more than one appraiser helped prepare the appraisal report, each appraiser may report the amount of time spent.

THE FOLLOWING CATEGORIES ARE LIMITED TO AN AGGREGATE OF 25% OF THE TOTAL HOURS OF EXPERIENCE CREDIT:

AD VALOREM TAX APPRAISALS: Credit may be received for ad valorem tax appraisals if the appraiser demonstrates that he/she (1) used acceptable appraisal techniques and (2) effectively used the appraisal process. Mass appraisals must be performed in accordance with USPAP Standards Rule 1, 2 and 6.

Pages 3 and 4 of the Experience Application should be used for reporting ad valorem tax appraisal experience. Methods used should be shown on the application in sufficient detail to reflect that the criteria herein have been met.

REVIEW APPRAISALS: Review appraisals may be awarded experience credit when the appraiser performs review(s) of appraisals prepared by employees, associates or others, provided the appraisal report was not signed by the review appraiser. (If the applicant signed the appraisal report, it should be considered as appraisal experience and not as review appraisal experience. CREDIT MAY ONLY BE AWARDED WHEN REVIEWS ARE IN COMPLIANCE WITH USPAP.

STANDARDS RULE 3: Experience credit may be awarded for “**technical review**” experience but not for “**administrative review**” experience. The difference between the two is articulated in Advisory Opinion G-6 issued by the Appraisal Standards Board. Briefly, a technical review is work performed by an appraiser in accordance with Standards Rule 3 for the purpose of forming an opinion as to whether the analyses, opinion and conclusions in the report under review are appropriate and reasonable. An administrative review is work performed by clients and users of appraisal services as a due diligence function in the context of making a business decision (underwriting, buy/sell, etc.)

REAL ESTATE CONSULTING: Real estate or real property consulting services, including market analysis, cash flow and/or investment analysis, and feasibility analysis must conform to USPAP Standards 4 and 5 subsequent to January 1, 1991. Experience credit for these functions should be given to the extent that it demonstrates proficiency in appraisal principles, techniques, or skills used by appraisal practicing under USPAP Standard 1.

HIGHEST AND BEST USE ANALYSIS

FEASIBILITY ANALYSIS

RESTRICTED APPRAISAL REPORTS

DRIVE-BY APPRAISALS

LIMITED APPRAISAL REPORTS

Credit may be awarded for the above when they are performed in accordance with USPAP Standards Rules 1, 2, 3, 4, 5 and 6.
